

Open

Design by PearsonLloyd

Open is an elegant and relatively compact, contemporary range of soft seating, comprising a lounge chair with and without a headrest, footstool and a large two seat sofa. All versions share a polished chrome wire base, whilst the lounge chair versions are also available on a striking polished Aluminum base.

The moulded seat shells and cushions with 'bull nosed' edge profile, economic detailing and tailored upholstery, provide great comfort, precise shape, a simple pleasing form and visual slenderness.

A range of complementary occasional tables complete the range utilising the polished Aluminum base.
