

Focus Zone-Solo

ZNCFS

The Focus Zone-Solo is a functional working space for a single user to focus for a whole day or to concentrate on working tasks without being disturbed. It is a space to pop in and out of during the day that can easily accommodate the use of personal technology and other tools.

- Designed to be used for 1-8 hours
- 55" high for seated privacy
- Available with or without partial height slots on the wing
- Available with the option for a partial height interior fabric buffer and full or partial height exterior fabric buffer
- Accommodates a semi-suspended worksurface with optional Power Pill and Table Lamp cut outs

- Flat Fabric Buffer partial height interior
- Flat Fabric Buffer full height exterior

Lounge Zone-Solo

ZNCGS

The Lounge Zone-Solo is a place to take a break and work privately. The compact footprint provides easy access to the tools a user needs while still providing easy access to the rest of the office.

- Designed to be used for 5 minutes to 2 hours
- 55" high for seated privacy
- Available with or without a wing panel
- The optional wing is available with partial height slots
- Available with the option for a full or partial height fabric buffer on the interior or exterior
- Accommodates an In-The-Zone Sofa – 1-Seater with optional tablet worksurface and integrated power

Office Zone

ZNCEE

The Office Zone combines a task focus area and an upholstered bench for a more relaxed conversation. It may be used in an open plan setting by a leader who is working on individual work half the time then turn easily to have a quick one-on-one conversation with a team member.

- 55" high for seated privacy
- Available with or without partial height slots on the wings
- Available with the option for a partial height interior fabric buffer and full or partial height exterior fabric buffer
- Accommodates a semi-suspended worksurface with cantilevers and optional Power Pill and Table Lamp cut out
